PLEASE READ BEFORE ORDERING

Only top quality rhizomes are shipped. Of course some varieties never make a large rhizome as Wm. Mohr, Pink Cameo and the low growers. We fertilize with bone-meal only and cultivate freely.

Postage or Express is prepaid on all orders of \$2.00 or more unless otherwise stated. On orders of less than \$2.00 you must enclose 25 cents additional to help pay postage and packing. Orders of less than \$1.00 not accepted.

Terms cash with order please. You may make remittance by check, money or express order. Do not enclose cash unless letter is registered. No C. O. D. sent.

Visitors are welcome any day including Sunday from 8:00 a.m. until 8:00 p.m. Orders may be placed any time upon 25 per cent deposit. Minimum deposit \$1.00. Balance due when plants are ready for delivery.

Greenhouse hours are 8:00 a.m. until 5:30 p.m. Closed Sundays.

Late in the season it is preferable that you express a second choice as some varieties sell out early and we do not substitute without your permission.

We have added a great many of the newer and better Iris to our list and to condense the catalogue have placed a lot of the older favorites in the rear of the catalogue.

Cultural Directions will be enclosed with each order.

Time of Shipment is from July 5th until late fall.

OHIO CUSTOMERS MUST ENCLOSE 3% SALES TAX

On all Retail Orders of \$10.00 or more you may choose 20% additional Iris free of charge. This offer does not apply to quantity list.
